## PARKING TIPS

**Here are five helpful tips to avoid a parking ticket!**

### Avoid the Ticket!

1. Do not park longer than three hours at a parking meter. Even if the meter is paid, you will be ticketed if parked in the same space longer than three hours.
2. Park in a garage if parking long term. The hourly rates is cheaper to park in a garage and you do not have to move your vehicle every three hours!
3. Download the Passport Parking app to pay by phone. You get text or email reminders when your parking is about to expire!
4. Keep a change roll in your glovebox. If parking for a few minutes, don't risk it! Drop a nickel or dime in the meter.

### Personal Safety:

1. Always lock your car doors.
2. Do not leave valuables in view inside the car.
3. Do not store an extra key under the car/fender/etc.
4. At night, park in a well traveled and well-lit area.
